SUBJECT: Psychological Strategy Program for the Middle East

Consulate Aden has reviewed carefully the Psychological Strategy Board's study, Psychological Strategy Program for the Middle East, and is in substantial agreement with the approaches and conclusions contained therein.

It is our earnest hope that steps may soon be taken to implement such a program actively.

Should any special problem arise concerning the applicability of the reference program to the Imamate of Yemen and/or Aden Colony and Protectorates, we will communicate with the Department at once on the particular point which may be involved.
